

# LOVE YOUR SMILE

## WHAT'S IT ALL ABOUT?

**National Smile Month is a charity campaign all about championing the benefits of having good oral health and promoting the value of a healthy smile.**

Between 13th May and 13th June 2024, the Oral Health Foundation will be raising awareness of important health issues and ready to put a smile on everybody's face.

We want you to join us and make a positive difference to the oral health of millions of people.

## WHY YOUR SUPPORT IS NEEDED

Maintaining a healthy smile can be simple but for so many this can be very difficult.

Despite the many improvements in oral health over the last 50 years, inequalities continue to be a burden for countless individuals.

By supporting National Smile Month, you will be able to help us reach groups where oral disease is far too common.

National Smile Month is your chance to reach people in the heart of your community. Help others achieve better oral health by sharing important oral health messages.

## LOVE YOUR SMILE

Our research shows that a quarter of UK adults do not like their smile while at some point, more than half have been made to feel anxious about how their smile looks.

That's why the theme for National Smile Month 2024 is Love Your Smile.

By giving people support and advice about their oral health, more will be able to show off their smile with confidence.

**LOVE YOUR SMILE**

## HOW TO GET INVOLVED

**Campaigning** - National Smile Month is the perfect time to visit local schools, care homes, workplaces and community groups, to engage people about the importance of a healthy smile. You can also reach more people by sharing key messages online.

**Fundraising** - By choosing to fundraise for the Oral Health Foundation during National Smile Month, your donations will go towards some truly important causes while the awareness you raise can help change lives for the better.

## NEXT STEPS

Visit the website for more campaign advice, ideas, activities, events and downloads. You can also sign up for free updates so that you won't miss out on the latest information.
